b. The International Club of Smith College, Northampton, Mass., has invited me to address an informal seminar on 18 November. All participants will be undergraduate students. c. The East Asia Club of Phillips Academy, Andover, Mass., has asked me to talk to an informal group on 19 November. I will use basically the same unclassified talk that I used at Smith.

d. Finally, RAND Corporation and UCLA have suggested that I come out there in early December to give talks on China which would include internal policies and foreign activities. The talks will be unclassified and I will choose the specific subject matter.

3. I will be introduced at Andover and Smith only as a former officer of USLO. At BDM and RAND I will be the NIO for China.
